

HELEN B. BENTLEY FAMILY HEALTH CENTER

Coconut Grove's Helen B. Bentley Family Health Center, Inc. (HBBFHC), is a not-for profit organization that for many years has provided high quality and cost-efficient health care services to uninsured residents from all areas of Miami-Dade County. Commissioner Suarez recognizes that the HBBFHC is serving the growing needs of the community and thus supports the idea of exercising the entire \$3 million in General Obligation Bonds allocated for the expansion of the health center. Since HBBFHC is a federally qualified health center, the funds will provide the center the necessary leverage to receive up to an additional \$12 million funds from the Federal Government.
